

## Service of Remembrance

On Saturday 9th December our Bedford staff joined with St Martin's Church at Bedford to hold a multi-faith Service of Remembrance to which clients whom we had been privileged to serve during the previous 12 months were invited.

The service was led by Father Valmor Pimenta, the Parish Priest of St Martin's, there were carols and readings and visitors received a commemorative Order of Service. The church was packed and there was a huge amount of emotion as the congregation put personalised stars on the Christmas Tree and lit candles of remembrance.

Memorial baubles were sold in aid of both the church and our nominated charity for 2017, Medical Detection Dogs and **£211.50** was raised for the charity.
